

American West 6 Sites

Client – American West Homes

Owner – American West Homes

GES prepared Phase 1 Environmental Site Assessment (ESA) reports for six (6) sites totalling approximately 1,000 acres situated at numerous locations in the southwest portion of the Las Vegas Valley, Clark County, Nevada

The Phase 1 ESA reports were prepared in accordance with ASTM E 1527-05, excluding lead based paint, lead in drinking water, asbestos containing materials survey, radon, or wetlands assessment.
