

## **Geotechnical & Environmental Services Names Brinkerhoff Grading Special Inspector**

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) President Greg DeSart announced Phil Brinkerhoff has joined the GES staff as Grading Special Inspector. In his new position, Brinkerhoff will perform field testing and observations relating to mass grading projects.

“We are glad to welcome Phil to our team. His education in Geology and years of field experience will be an asset to GES”, said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspection services. GES’ sister company, Eagle Drilling, offers drilling services for design support, construction and maintenance for commercial, private and public works developments. GES has been consistently recognized as one of the “Best Companies to Work For”.
