

## **Geotechnical & Environmental Services Names Knoell as Senior Engineering Laboratory Technician**

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) President Greg DeSart announced the return of Senior Laboratory Technician Jacque Knoell. Jacque previously worked in our lab for 6 years. She has accepted new challenges for performing strict testing procedures in accordance with AASHTO specifications and will enhance our already successful lab team.

“Jacque brings exceptional knowledge and experience to the GES family and it’s great to have her back”, said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspection services. GES’ sister company, Eagle Drilling, offers drilling services for design support, construction and maintenance for commercial, private and public works developments. GES has been consistently recognized as one of the “Best Companies to Work For”.
