

## **Geotechnical & Environmental Services Names La Camera Director of Human Resources**

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) president Greg DeSart announced Marie La Camera has joined the GES staff as director of human resources for both the Las Vegas and Mesquite offices. In her position Marie will plan, implement and supervise a human resource program for all employees.

“La Camera brings valuable talent and experience,” said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
