

Geotechnical & Environmental Services' Monty Mehlhorn Named Officer of Geological Society of Nevada

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) president Greg DeSart announced Project Geologist Monty Mehlhorn has been named Webmaster for the Geological Society of Nevada. In his new capacity Mehlhorn will perform the maintenance, programming and development of their impressive website.

“We are excited to have Mehlhorn accept this opportunity,” said DeSart. “We are proud to share his skills and enthusiasm with the Geological Society of Nevada.”

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
