Geotechnical & Environmental Services Names Gregory Hansen Controller

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) president Greg DeSart announced Gregory Hansen has been named Controller for the GES Las Vegas and Mesquite offices. In his position Hansen will be responsible for the overall supervision and coordination of the company finances.

“We are fortunate to have a skilled and enthusiastic financial expert on our team,” said DeSart. “Hansen is a great fit for our long term strategic plans.”

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
