

Geotechnical & Environmental Services Names Simpson Project Engineer

LAS VEGAS – Geotechnical & Environmental Services (GES) President Greg DeSart announced the promotion of Paul Simpson to Project Engineer. In his new position Mr. Simpson will assist in planning, designing, and directing geotechnical engineering or construction testing/inspection projects.

Simpson recently received his State of Nevada Professional Engineering License, assisting in the promotion.

“Paul has been with GES, Inc for over 5 years, we are excited to see him advance his career with us,” said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
